Information for Schools

The Doodle 4 Google competition is open to all students in U.S. schools from kindergarten to grade 12 (including homeschoolers). Only teachers can submit doodles on behalf of their students. We'll be judging doodles in the following brackets:

- Kindergarten - Grade 3
- Grade 4 - Grade 6
- Grade 7 - Grade 9
- Grade 10 - Grade 12

What does my teacher need to submit?

- Student Entry Form
- Parent Consent Form
- Student doodle
- Student title for the doodle
- Student supporting statement of up to 50 words explaining the "If I Could Do Anything, I Would..." theme.

Registration

Please [register your school](#) by March 17, 2010. All doodle submissions are due on March 31, 2010. Learn more about an [Extra Credit: Technology Booster Awards](#) for submitting your doodles on or before March 10, 2010.

Submitting entries

- Your school can submit up to six (6) entries. If your school covers more than one grade group, please try to represent an even spread. You might want to hold a contest to select the best doodles in each grade group. If you're a teacher at a homeschool, you can submit up to two (2) entries for your students.
- Write the entry code you received when you registered online on the back of each doodle (you should have received six (6) entry codes total - one for each of your six (6) entries). If you forgot your entry code, you can look it up [here](#).
- Please attach [completed entry](#) and [consent forms](#) to each doodle entry. The artwork should be placed on top of the submission and the entry form and parental consent form should be attached by a staple in the top left corner of the page.
- Mail your school's entries to this address by **March 31, 2010** (entries must be received by **11:59:59 p.m. Pacific Time** that day):

P.O. Box 408

Necessary Forms

Each Doodle 4 Google entry must include a completed entry form, a signed consent form and, of course, a doodle. Luckily, you can find everything you'll need right here:

Elmsford, New York 10523-0408

- Please write the appropriate region number at the top of your mailing envelope (beneath your school's name in the return address). Here's a list of [our regions](#).

Design guidelines

- The doodle should be presented on a white, landscape sheet of 8.5" x 11" inch paper.
- You can download the Google logo template [here](#).
- The winning doodle will be displayed on our U.S. homepage, so the Google logo should be clearly visible and recognizable.
- The doodle can be in pencil, crayons, felt tip or paint, or can be done using computer drawing or design software.
- Unfortunately, we can't accept entries which use additional materials to create 3D effects.
- Please encourage your students to create original designs. Be inspired by [Dennis Hwang, our original doodler](#) - but don't recreate his designs.

Contest rules

You can read the official contest rules for this year's competition on the [Contest Rules](#).
